To whom it may concern:

It's my pleasure to provide this letter of recommendation for Eduardo Oreta Padero Jr. as he seeks employment in your organization. I've worked closely with him over the past five years, sharing the same project for the Catholic Religious Congregation of Xaverian Missionaries. E. J. Padero showed excellent communication skills and consistently exceeded the Congregation's expectations. On a personal level, he's charismatic and well-spoken, both qualities that have served him well in his role as web assistant.

I would like to recommend Eduardo Oreta Padero Jr. as a candidate for a position with your organization. In his position as web assistant-consultant, E. J. Padero was collaborating online in our Religious Congregation from August 2011 up to now. He has done excellent job cooperating with his skills to our Congregation. He helped us to develop the domain name and web hosting for the Theologate's official website at <http://theologasia.ph/>. He has been our web developer and administrator (self-hosted WordPress) and Social Media Administrator/Co-Manager (Facebook Page, Twitter, YouTube).

E. J. Padero is always willing to offer his assistance, has excellent communication skills, is extremely organized, can work independently, and is able to effectively multi-task to ensure that all projects are completed in a timely manner. He would be an asset to any employer and I recommend him for any endeavor he chooses pursue.

Yours truly,

Francisco Javier Beltrán Aceves
